Jan W. Dash

Jan Dash is the UU-UN Office's Climate Initiative Chair and Managing Editor of their [Climate Portal](#). He was the Editor of the [Climate Statement Summary and Recommendations to Governments](#) of the UN-NGO Committee on Sustainable Development, delivered to leaders at Copenhagen and other Climate Conferences. He is a Matchmaker for the [Climate Science Rapid Response Team](#) providing authoritative scientific responses to media questions. He is the author of the popular "one-liner" responses to climate contrarian/denier/faux-skeptic fallacies. Jan has a PhD in physics and has published over 50 papers in scientific journals. He is Adjunct Professor at the Courant Institute NYU. Relevant to the economic impacts of global warming, Jan has worked for many years in quantitative finance and risk management, and wrote a book on the subject.

Lynn Dash

Lynn Dash, a UU for 29 years, facilitated the study group on the Study Action Issue of Global Warming in 2005-6 in her New Jersey congregation. She is a founding member of the interfaith and civic group coalition, Monmouth County Cool Cities Partnership, and of the Climate Change Action Team in her home congregation. After traveling to Washington 4 times against the Keystone pipeline she was thrilled to find Citizens' Climate Lobby where she can be for something positive and transformative. She's been a group leader in the central NJ chapter of CCL since the chapter's inception in 2012.
