

**Pilgrimage for Courage and the Common Good -- Tuesday, October 15 10:00am-12:00pm**

Faith community members will go to the three House office buildings on a "Pilgrimage for the Poor," lifting up the concerns of those who are most being hurt by the dysfunction in Congress. The group will offer encouragement and hope that moderate Republicans and leadership will act reasonably by passing a clean CR, raising the debt ceiling, and getting back to work on a Faithful Budget. (This ask is subject to change based on the changing situation in Congress, but the bottom line is acting with courage for the common good and getting back to work on a Faithful Budget.) The group leaders will be prepared with background information on each representative's stances on the government shutdown and debt ceiling.

At each representative's office, the representative and staff will receive a letter with the group's written requests, as well as opportunity to meet with the Pilgrims as they journey. While the group walks, there will be singing.

10:00am Meet in the Cannon House building rotunda to gather the group and go over logistics. Remember to give yourself plenty of time to get through security.
