Senator Bernie Sanders

Congressman Don Beyer

## Senator Bernie Sanders (I-VT)

Senator Bernie Sanders has represented Vermont in the Senate since 2007 after serving 16 years as the state's sole Congressman in the House of Representatives. In 1991, Congressman Sanders co-founded the Congressional Progressive Caucus. Throughout his career Senator Sanders has been a champion for working families, focusing on the shrinking middle class and the growing gap between the rich and poor, and he is continuing his advocacy as a 2016 Democratic presidential candidate.

## Congressman Don Beyer (D-VA8)

Congressman Beyer is serving his first term as the U.S. Representative from Virginia's 8th District and as a member of the Congressional Progressive Caucus. Mr. Beyer voted in favor of the CPC budget resolution alternative, the "People's Budget: A Raise for America" that would have fixed an economy that has failed to provide opportunities American families need to get ahead. As Virginia Lieutenant Governor from 1990-1998, Mr. Beyer's signature work included ensuring protections for Virginia's most vulnerable populations as the Commonwealth reformed its welfare system in the mid-1990s.

***\*The Congressional Progressive Caucus is dedicated to promoting a fair, progressive policy agenda for all Americans, and with 71 members is the largest membership organization in the US Congress Democratic Caucus.***
