Would you like your community to be more resilient?

Do you have skills or want to learn skills to live more sustainably?

**TRANSITION IS:  
A PATH FORWARD.  
NON-PARTISAN,  
VISIONARY,  
PRAGMATIC, AND  
SUCCESSFUL!**

Do you feel like no one is addressing the critical issues of the 21st century?

Do you want to meet people in your community who are learning to live more sustainably?

*The mission of Transition Fairfax is to create a sustainable and resilient community. Our vision for Fairfax is a community where people live and thrive, find fulfillment and friendship, and are reconnected to the rhythms of the natural world.*
